1) Enrollment

You must decide within 31 days after your pension effective date whether you will enroll in the insurance plans. If you choose not to enroll then, you may enroll later. If you enroll later, your coverage will begin six months following the first day of the month in which the Office of Retirement Services (ORS) receives your completed insurance application. For insurance applications, call or write ORS.

The six-month waiting period can be waived if you enroll in this plan because you or your dependent lose eligibility for coverage in another group plan. Coverage can begin within 31 days after ORS receives your completed application along with a letter from the other group plan stating date of loss of coverage, why you are losing coverage and who was covered by the plan. You must notify ORS within 31 days of the loss of coverage to avoid the six-month waiting period.

2) Effective Date of Coverage

Medical and dental/vision coverage always begins the first day of a calendar month. A new retiree can begin coverage on the pension effective date or up to 90 days later. An approved application must be on file prior to the first of the month in which coverage is to begin.

You should check with your public school employer to learn when your present insurance coverage will terminate to be certain of continued coverage and to prevent duplication of coverage. Determining the correct effective date is very important and is your responsibility. The ORS cannot make retroactive premium adjustments.

3) Coordination of Benefits (COB)

If both you and your spouse are retirees of the Michigan Public School Employees Retirement System, within the same group plan, there will be no advantage for duplicating coverage because COB will not apply.

4) Medicare

At age 65 or sooner if eligible (because of disability), you must enroll in Medicare health insurance (both hospital – Part A, and medical – Part B) through the Social Security Administration to maintain full benefit coverage.

5) By Signing the Front of This Form, I Agree to the Following Terms and Conditions:

I elect to enroll in the insurance plan(s) funded by the Michigan Public School Employees Retirement System for which I am or may become eligible, as indicated on the front side of this application, and authorize the Retirement Office to withhold the contributions required for the plan(s).

I agree that it is my responsibility to notify the Retirement Office of any changes in my status and that of my family that may affect eligibility and/or coverage. I agree that should claims be paid on an ineligible individual, the costs of such claims may be deducted from future pension checks.

I authorize the administrator(s) selected by ORS to obtain from providers of service any and all records and other information relating to me and my covered family members. I understand that such information may be made available to ORS, on a confidential basis, for the purpose of evaluating the operation and efficiency of the plan(s) and providers. The duration of this authorization extends for the period of my coverage under the plan(s).

I certify that the information provided on the front side of this form is correct to the best of my information, knowledge, and belief.

I understand that when ORS accepts my application, my family members and I are bound by all conditions stated in the plan(s).

If I have declined coverage on the front of this form, I understand that I have been offered enrollment in the above plan but decline coverage at this time.
